From humble beginnings, Homestead North's Rosewood Arboretum is an eco-friendly wedding and event destination.

Located just 20 minutes north of Sault Ste. Marie, you will find quiet refuge and the echoes of laughter reverberating through the trees during your stay.

Situated on 72 acres of vast forest, your special tear and joy-filled moments can be captured under the canopies of different tree species; alongside naturally fed spring water creeks; or in front of the beautiful Robertson Cliffs. With wood-chipped pathways, we provide one special ceremony site in Rosewood Arboretum called Oak Amphitheatre, which can be adapted to your desired style.

We provide accommodations in our luxury backcountry campsites (coming in 2023) and room to pitch your own tents! The bride and groom will be provided a special complimentary newlywed suite (2023) to retreat and reflect.

*Whether you are wanting to elope, renew vows,
have a small intimate wedding, or a large wedding,
Homestead North is ready to catch your vision!*
